

MOUNT CLARE COMMUNITY COUNCIL

PROUDLY DIVERSE AND THRIVING

The block residents, surrounding neighbors, neighborhood residents, and on behalf of the aforementioned the Mount Clare Community Council request that the private lots Make Space, Inc received from the city encompassing 213 through 219 S Vincent Street (or block 262 lots 74 through 77) be developed as private offstreet parking for, in order of priority, and as requested by the residents of the 200 block of Vincent Street, 1) Make Space homeowners; 2) residents of the 200 block of S Vincent St; 3) surrounding business entities including Clay Pots; and 4) other residents of the surrounding block. The council invites Make Space to pursue and develop a natural playground for communal benefit at the McHenry Farm encompassing the city owned and adopted lots along McHenry Street between Calhoun and Stricker Streets.
